

You are an essential part of the SSC Community!

Throughout history, in times of economic hardship, the performing arts have offered a temporary escape, and the opportunity to create lasting family memories.

The Susquehanna Stage Co. is committed to offering entertainment that will allow us to laugh, to offer hope for better times, and to celebrate, through theatrical performances, the common humanity that binds us all together.

Your generous contribution will help us continue to create extraordinary theater experiences that educate, challenge, inspire and serve the community. Our need is real, so please respond now!
