HEARTHSTONE MANOR

Retirement Living, Family Style

When we think of family, we think of people gathering to mark birthdays, graduations, holidays, marriages, and yes, the passing of loved ones. We think of good times shared, difficult times endured together, and a commitment to be there for each other no matter what.

Hearthstone Manor is our family. You'll feel the warmth and friendliness when you visit. Think of us when you want to downsize or when you need assistance for yourself or a loved one. You'll discover why people call Hearthstone "the retirement community with a heart."

Greetings From the Artistic Director

It is an amazingly simple idea that we have here at the Susquehanna Stage Co. and you are an important part of our plan: we want to offer the community a place for all performing arts to thrive and grow. From modern American drama, to old-fashioned musical comedy, from dance programs to musical concerts, this wonderful old brick building I call the "theater" will be home to artists and teachers from our local area and beyond.

Please join us...we've got so much magic to do. Try out for a play! Sign up for an acting class or camp! Volunteer time, or donate money to our cause. Whatever you do, I hope you will continue to watch and help us grow.

I hope that you find our show both entertaining and enriching and you walk away feeling good about yourself while laughing and humming the tunes. I love live theatre, with live actors telling great stories. This theater feels right to me. In 2010, as we embark on our second season, I am looking forward to a long theatrical life here at the Susquehanna Stage Co. with my new friends and artistic colleagues.

Don't be a stranger! Come back soon and bring or tell a friend. Good wishes, thanks from my heart, and remember if you dream it, you can be it!
